To Provide In-Region InterLATA Services in the States of Montana,  
Utah, Washington & Wyoming, WC Docket No. 02-189

**QUESTION:**

Provide actual CLEC notice for Aug .15 CR regarding: Local Service Ordering Guidelines – Centrex Resale Service (CRS), DID Resale Service (DRS), Resale Frame Relay (RFR), Resale Private Line (RPL), and Resale Service (RS).

**RESPONSE:**

Please find attached a notification which Qwest distributed to the CLECs on August 15, 2002. One of the referenced changes relates to the requirement to specify features to be disconnected on a conversion-as-specified. Business rule 4 for field 58 on the Resale form in the LSOG (which is used for UNE-P LSRs) was updated to indicate that the D action is optional. The information is presented as "additional information or clarifications" because the change is optional for the CLECs. Because this was identified as a partial response to change request SCR060702-01 , Qwest will also discuss this notice and its implications with the CLECs at the August 21, 2002, CMP meeting when the CR is reviewed.
